

Dr. James Skeen, Integrative and Regenerative medicine

Dr. Skeen's goal is to help you achieve total wellness no matter the age.

Financial Policies

Payment Requirements: Appointments must be paid at time of service.

Visa, Master Card, American Express, Discover, check or cash are accepted.

Dr. Skeen is not an in-network provider with any insurance provider. However, a CPT & ICD 10 code can be given by request and you may file with your insurance company for possible reimbursement. Dr. Skeen is not a Medicare provider and you will not be reimbursed by Medicare for services rendered by Dr. Skeen.

Labs: Labs are an important part of Dr. Skeen's integrative and regenerative approach. Patients will need labs drawn through a Lab Corp. Since Dr. Skeen does not file for insurance you will need to provide Lab Corp with insurance information at the time of the draw. Any balances not paid by your insurance will be billed directly to you by Lab Corp.

Appointments: We require a 24 hour notice if you need to change or cancel you appointment. For any missed appointment without the 24 hour notice \$75 will be charged to you, and must be paid before any additional services can be provided.
